

Booster Club Board Meeting

March 6, 2018

Present: Lisa DesLaurier, Kim Peterson, Missy Paulson, Melissa Lahti, Jeanne Sikkila, Susie Tollefson, Katie Waara, Bob Stanaway, Kathy Stanaway

The meeting began at 6:00 with Lisa reviewing the minutes from the previous meeting.

Kathy Stanaway asked if it was possible to have the Booster Board minutes accessible to the public. Susie Tollefson stated that a link can be set up through the L'Anse School's website. Lisa will contact Joanne to begin that process.

Lisa reviewed the recent unanimous decision of the Board to give up control of the junior high football program to L'Anse Schools. This will become effective this year.

Questions were raised regarding the proceeds of the concession stand(s). Missy stated the concession profits initially go into the general fund. Funds are used to fulfill coaches' requests for equipment/uniforms, volunteer coach's pay, other needed equipment and various other items needed for our athletes. Lisa reviewed the procedure someone would follow to request funds from the Booster Club. Request forms can be picked up at the central office in the high school.

There was discuss regarding the athletic fee and what the money was used for. Susie explained the money went toward refs, ambulance, busses/drivers, score keepers as well as other miscellaneous game expenses.

There was discussion regarding ideas for better parent involvement in the concession stand. Jeanne and Missy both stated that hosting the "Meet the Hornets" event has been successful in the past regarding connecting with parents about our concession needs. It was suggested that school clubs may be interested in working in the concession stand if they were to receive an incentive, such as a percentage of the profits. Susie Tollefson will put together a list of the club(s) advisors and inquire if any would be interested in working in the concession stand.

Kathy Stanaway asked if there would be quarterly Booster Club meetings open to the public. It was decided that quarterly (public) meetings will be held. However, closed meetings will still take place (as needed) for Board members.

There was discussion regarding our current By-laws. Lisa stated she will find a copy of our By-laws and review them with Board members. The By-laws will also be available on the link through the website.

Meeting adjourned 7:35

Jeanne Sikkila
