March 2019
Employee of the Month
Mike Roth

Mike is the maintenance and transportation supervisor for L'Anse Area Schools. He is always working behind the scenes to make sure things run smoothly around our school. Mike was nominated for Employee of the Month because he is always willing to help in anyway that he can and even when things are very busy or stressful, he always remains friendly and approachable. Mike has shown tireless dedication to maintaining and improving our campus. He did an outstanding job of taking care of the snow removal problems due to the recent storm. We are very fortunate to have Mike as a part of our team!
