Employee of the Month
Laura Schneider

Laura is the School Nurse and Health teacher for L'Anse Area Schools. She puts a lot of work and preparation into her CTE Health Occupations class and the Health Occupations Students of America (HOSA) organization. For as long as she worked at LAS, Laura has always been approachable and available. Any and all concerns brought to her, both for students and staff, have been met with knowledge, professionalism, and kindness. Her nickname "Nursie" speaks to the respect and appreciation everyone has for her. She takes on so many roles and handles all of them with patience, knowledge, and true concern. Laura's presence is noticeable and appreciated throughout our entire district. She is wonderful!
