

L'Anse Area Schools
November 2019
Employee of the Month
Kendra Turpeinen

Kendra Turpeinen teaches high school English classes and an 8th grade Multi Media class for L'Anse Area Schools. She is also the advisor for the LHS National Honor Society. Mrs. Turpeinen was nominated by a student who really appreciates having her as a teacher because she is very kind and willing to help with assignments whenever needed. It is evident that Mrs. Turpeinen genuinely cares about her students. She is a very dynamic and engaging teacher and she makes an effort to prepare the seniors for life after graduation. Kendra is always a team player and willing to help in whatever way is needed while maintaining a positive attitude. We are very fortunate to have her as a member of our team at L'Anse Area Schools!
