Employee of the Month
Heather Grentz

Heather has worked at L'Anse Area Schools for the past 20 years. She is currently the Jr-Sr High School Guidance Counselor. Heather was nominated by coworkers because she goes above and beyond her job description to help staff and students succeed. Mrs. Grentz is a mentor to many students who are struggling. She is also the advisor for the Students Against Destructive Decisions (SADD) group and serves as an after school tutor. Heather has also taken on a leadership role on the secondary Positive Behavior Interventions and Supports Committee. She assists with planning reward activities for students and individual incentives for winners of the Hornet Pride drawings. Her dedication in working toward a positive and safe school climate is greatly appreciated.

We are fortunate to have Heather as a part of the LHS Faculty!
