

***L'Anse Area Schools***  
***June 2020***  
**Employee of the Month**  
***Jessica Paquet***

Jessica Paquet is the secretary at our CJ Sullivan Elementary School and worked in the library prior to this role. Jessica was nominated for this recognition because she goes above and beyond the normal scope of her duties to make things run smoothly at our school. She is always willing to help teachers and administration with whatever is needed behind the scenes. During the COVID closure she continued reporting to work everyday and took on new roles without hesitation. Jessica helped get many things ready for the school's continued learning plan and also assisted with the food program when needed. Jessica is immensely helpful to our staff and parents and always has a smile for everyone. We couldn't do what we do as a school without her help on a daily basis. We are proud to have Jessica as part of our team at L'Anse Area Schools!
