Employee of the Month

Laura Webb

Laura Webb has been a Special Education Aide at L'Anse Jr-Sr High School for the past two years. Laura was nominated for Employee of the Month due to her willingness to take on new roles to meet needs in the school such as reaching out to students who were distance learning over the past several months. She has assisted in a variety of ways including making student contacts, completing paperwork and substituting for teachers and custodians as needed. Laura has also worked the after school and summer Great Explorations program that many of our students attend. She is always willing to help others and does so with a smile on her face. Laura's positive attitude is greatly appreciated. We are fortunate to have her as a part of our team at L'Anse Area Schools!
