Employee of the Month

Emily Maxson

Emily Maxson has been a 2nd Grade Teacher at CJ Sullivan Elementary School for the past ten years. Emily was nominated for Employee of the Month due to her constant willingness to help others. Emily is a Technology Coach for our school as well as serving on our School Improvement Team. She is not afraid to try out new programs and strategies. Emily is full of creative ideas for using technology in her classes and has been a wonderful resource to her co-workers during our period of remote learning. Emily finds time to be very dedicated to her teaching while she is also a busy mom of 3 young children. Emily's positive attitude and sense of humor is evident to all that meet her. We are fortunate to have her as a part of our team at L'Anse Area Schools!
