

L'Anse Area Schools

January 2021

Employee of the Month

Erika Laufenberg

Erika has worked at CJ Sullivan Elementary School as an instructional aide for the past 8.5 years. She lives in L'Anse and has two students in our Jr-Sr High School. Erika was nominated for Employee of the Month because she goes above and beyond what is asked of her and is always willing to help the teachers and students however she can. She builds wonderful relationships with students and shows that she cares about them doing well in school. Even though she is already a skilled aide, she is also always willing to learn new intervention strategies to help the kids. Her positive attitude and dedication to our students is greatly appreciated. We are fortunate to have her as a part of our team at L'Anse Area Schools.
