March 2021

Employee of the Month

Nicki Frisk

Mrs. Frisk has worked at L'Anse High School for about 6 years. She is currently our Jr-Sr High School Secretary and previously worked as a Special Education Aide. Nicki was nominated for Employee of the Month because she is always very helpful, even when she is busy with her own tasks. She is very organized, people oriented and can multitask well. She is very friendly, patient and supportive to students when they need help. Everyone is greeted with a smile when they walk into her office. Nicki's friendly attitude and dedication to our school is greatly appreciated. Nicki, her husband Cory and daughter Callie are also serving as a host family for a foreign exchange student from Spain this school year. We are fortunate to have her as a part of our team at L'Anse Area Schools.
