

L'Anse Area Schools

August 2021

Employee of the Month

Aaron Poniatowski

Aaron has worked at L'Anse Area Schools for the past 16 years as the Jr-Sr High School band and elementary music teacher. She is also responsible for the L'Anse High School yearbook each year. Aaron was nominated for Employee of the Month because of her dedication to providing enrichment experiences to her students. Aaron led the high school band group in fundraising for a recent trip to New York City. Her band students continue to earn high ratings each year at Honors Band Festival and Solo & Ensemble competitions. She is also an active member of the Michigan School Band & Orchestra Association. Aaron puts her heart into her work and forms strong relationships with her students through the years. She has persevered through these challenges presented this last year with remote learning and many adjustments to public performances. She remained flexible and positive while deciding how we could proceed with musical performances at school concerts, games and graduation. We greatly appreciate Aaron's dedication to providing an amazing music program at L'Anse Area Schools!
