

L'Anse Area Schools
September 2021
Employee of the Month
Marcie Carlisle

Marcie began working at L'Anse Area Schools in the Fall of 2020 and is currently working as a long term substitute teacher in our elementary special education classroom. Her dedication to this role is evident by her coming into the classroom for weeks before school started so she could be as prepared as possible for her students. Marcie was nominated for Employee of the Month because she is willing to go above and beyond to help the students. She is flexible and always has a smile on her face and lends a hand. She goes home each night with a bag full of ideas and plans how she can help the next morning. She seeks to find positives with every student all the time and truly cares about the kids. Marcie and her husband live in Michigamme. We greatly appreciate that Marcie is choosing to be a part of our team at L'Anse Area Schools!
