

L'Anse Area Schools
October 2021
Employee of the Month
Sonya Evans

Sonya began working at L'Anse Area Schools in the Fall of 2000 and has been our Library Director for the past 7 years. Previous to that she was a Library Aide and also the Yearbook Advisor. Sonya has also helped out as a substitute teacher on a regular basis over the past 21 years. It is really nice to have a familiar face for the students when a teacher is out of the classroom. Sonya was nominated for Employee of the Month because she develops relationships with the students and tries to get to know them. She connects with students in many ways including art, whether it be encouraging students to draw or drawing her infamous portrait of *Goofy* for elementary students. As the Library Director, she is always willing to help find books that teachers need for lessons and is a great resource. Sonya plans engaging activities for students and families during the summer with the summer reading program and is always on the lookout for additional books to add to the shelves in both the public and elementary school libraries. She is flexible and always willing to lend a hand. We greatly appreciate having Sonya as a part of our team at L'Anse Area Schools!
