

L'Anse Junior Senior High School

October – 2021

Conferences

The end of the first marking period is Friday November 5th. Hard to believe one quarter of the year is completed. If you have any concerns about your child's progress, plan to attend conferences on Thursday November 11th. Conferences run from 12:30-3:30 and 4:30-7:30. No appointments are necessary. Pick up report cards from the office and head to the classes. If your child can attend with you that would be great.

Attendance Concerns

Attendance is important to academic gains. Make sure your child is attending school regularly. If your child needs to miss school make sure to excuse them within two school days. Provide a medical slip if you can.

Make up time: Students who miss more than 5 class periods will need to make up 30 minutes per hour missed. Excused and unexcused absences count toward make up time. Funeral, Doctor or Health Department verified absence, or pre-excused absences do not count towards make up time.
