**April 2022**

## **Employee of the Month**

### ***Jacob Ogea***

Mr. Ogea has worked for L'Anse Area Schools as a middle school Social Studies teacher for the past year. He was nominated for Employee of the Month because he has a kind and enthusiastic attitude working with staff and students. He continues to work with students engaging them through the use of technology and new teaching approaches. He is a great addition to our team in other ways also such as providing DJ services to our dances, serving as the 6th grade class advisor, coaching track and announcing at basketball games. He brings an extra level of school spirit with his personal style of speaking at these events. Jacob is very dedicated to the school and devotes a lot of time and energy to his responsibilities. L'Anse Area Schools has been fortunate to have him as part of our school team and community.
