Employee of the Month

Joanne Hochstein

Joanne has worked at L'Anse Area Schools as an Administrative Assistant to the Superintendent for the past nine years. She was nominated for Employee of the Month because she is very caring, kind, and helpful. She makes others feel welcome, and helps promote a positive work environment. Joanne is very dedicated to her job and goes above and beyond her own duties to help in other areas. She is upbeat, and greets others kindly with a smile even when the office is hectic. Joanne is great at listening to concerns from staff, parents and community and offering suggestions of how to address the concerns.

She works diligently to make sure everything is set up properly for new employees, payroll processing and school board meetings. She is part of what makes LAS such a great place to be. Joanne lives in L'Anse with her husband, Dan, and they have three children who have all attended our school. L'Anse Area Schools has been fortunate to have Joanne as part of our school team and community.
