

L'Anse Area Schools

June 2022

Employee of the Month

Chris Kelly

Chris has worked at L'Anse Area Schools for the past 1.5 years as a building custodian. This school year, he also took on a teacher aide role in the Machine Woods class in the IE Building to assist students with the safe use of the shop equipment to complete projects. Chris was nominated for Employee of the Month because he always has a positive attitude and is willing to go above and beyond his normal duties to help out in any capacity needed, even if it means changing his normal work schedule. He is friendly and courteous to other staff members and students. Chris is also very conscientious about whatever he is doing and this helps promote a positive work environment. He is part of what makes LAS such a great place to be. Chris lives in L'Anse with his wife Jenna and their family. L'Anse Area Schools has been fortunate to have Chris as part of our school team.
