

WELCOME BACK!

L'Anse Area Schools K-12

2022- 23

Dear Parent/Guardian:

This year we are taking a different approach for completion of our back to school forms. We have uploaded all required forms into your child's Family Access account. If you do not have the necessary information to access your Family Access account, or don't have internet access, please contact the appropriate office for assistance. We request that you complete all forms prior to the first day of school, Tuesday, September 6th.

Students in Grades 7-12 will not be issued a Chromebook until all paperwork has been completed.

Just as a reminder, to get into Family Access, you must first go to www.lanseschools.org. On the top of the website you will see a tab called "Family Access". When you log in, on the left hand side you will see the tab called "YEARLY FORMS". This is where you start. If you have multiple children, it will ask you which child you would like to complete first.

After completing all of the necessary steps, there will be an option on the bottom to "complete and go to next step". This is the easiest way to navigate through all of the necessary documents.
