

L'Anse Area Schools
January 2023
Employee of the Month
Melissa Scroggs

Mrs. Melissa Scroggs has been working at L'Anse Area Schools for over 18 years. She is currently our Elementary School Principal and Food Service Director. Prior to moving to a principal position, she was a special education teacher for 9 years at L'Anse and previously in Texas. Missy was nominated for Employee of the Month because she dedicates a huge amount of time and effort to making sure our school runs smoothly. She is always willing to help out in any manner needed and maintains a positive attitude while working through issues.

Missy arrives at the school usually before 7 am and checks on substitute coverage for staff and anything else that is needed for the day. She maintains an open door policy and encourages staff and parents to stop in the office and talk at any time. Staff members recognize and appreciate that she makes student safety, confidentiality and building security top priorities. Missy lives in Skanee with her husband, Brian, and in her free time she enjoys cooking, camping and visiting family and friends. Melissa is an integral part of our team at L'Anse Area Schools and we appreciate all that she does!
