

L'Anse Area Schools
August 2023
Employee of the Month
Katie Martinac

Katie Martinac has worked at L'Anse Area Schools for the past 2 years. She was a Special Education Aide previously and recently moved to the Jr-Sr High School Secretary position. Katie steps up to take on whatever roles there is a need for at the school. She has worked evenings selling tickets at games and has monitored weekend open gyms for elementary students. She has also been an after school tutor and recently has taken on helping with managing the school concession stands. She was nominated for employee of the month due to her incredible dedication to helping out in any way possible. Katie's caring attitude toward the students is evident to everyone. She has been working hard to quickly learn her new role in the office and is exceeding expectations in all that she does. Katie is intelligent, efficient and organized. Her work ethic and positive attitude are respected by all that work with her. Katie lives in Aura with her husband, Tyler, and is also a dedicated mom of two. We greatly appreciate Katie being a part of our team at L'Anse Area Schools!
