Employee of the Month
Kim Hendrickson

Kim has worked at L'Anse Area Schools for almost 2 years now as the Student Support Services Director in the Jr-Sr High School. She is a licensed School Social Worker and leads the implementation of Student Assistance Team plans for students. Kim also serves on the district's Behavior Health Assessment Team. She was nominated for Employee of the Month because she is flexible and willing to adjust no matter what situation arises. She helps out her coworkers when needed and communicates frequently to help assure everyone is informed. Kim is energetic and passionate about the need for social emotional learning in the school setting. She also teaches a Peer Mentoring class which places high school students in a support role with peers with disabilities. Kim lives in Skanee with her husband Dean and their daughter. In her free time, she enjoys being outdoors and spending time with her daughters and grandkids. We greatly appreciate having Kim as a part of the team at L'Anse Area Schools!
