Employee of the Month
Kristin Marczak

Kristin has worked as an elementary teacher at L'Anse Area Schools for the past 17 years. She has transitioned to a Title 1 teacher role this year and is working to implement reading interventions for students who need additional support. Kristin was nominated for Employee of the Month because of the manner in which she implements the Capturing Kids Hearts guidelines and makes students feel loved and accepted at school. She is determined to help each and every student reach their full potential and strives to build their confidence. Kristin has been in a leadership role implementing Positive Behavior Interventions & Supports and seeks out additional education to improve her teaching strategies. She is also always willing to help new teachers as they transition to our school. She is an active member of the CJ Sullivan Parent Teacher Organization and brings new ideas to the group. Her goal as Title 1 teacher is to improve family engagement. Kristin lives in L'Anse with her two children Landon and Avery and enjoys spending time with her 2 dogs and cat, reading and enjoying music in her free time. Kristin is an asset to our school and we greatly appreciate having her as part of our staff at L'Anse Area Schools!
