

***L'Anse Area Schools***  
**October 2024**  
**Employee of the Month**  
***Samantha Knight***

Samantha has worked at L'Anse Area Schools in multiple positions for the past four years. Currently, she is serving as noon hour supervision, food service, and the ticket booth at home football games. Additionally, Samantha works for Great Explorations after school and is an active member of the L'Anse Fire Department. Recently she was featured in the Sentinel for special training in hiker evacuation and ropes (repelling). Samantha was nominated for Employee of the Month because she is a dedicated, hard working, and reliable worker. She has been extremely nice and easy going from day one, and all LAS students she interacts with love her. To no surprise, she is always willing to fill in wherever needed around the school. Samantha lives in Aura with her husband Kevin and kids Cassidy, Kamryn, Kayden, and Kody. When she's not busy working, Samantha enjoys time with her family, hiking, rock climbing, and being outdoors. We greatly appreciate having Samantha as a part of the team at L'Anse Area Schools!
