

L'Anse Area Schools
April 2025
Employee of the Month
Paul Moore

Paul has been a dedicated employee for L'Anse Area Schools for more than 20 years. As a special education teacher in the Jr/Sr High School, Paul puts his time and talents towards ensuring the success of our students. In addition to his full time position as special education teacher, Paul also serves the district as the bowling coach and Youth in Government advisor. Paul has earned the April Employee of the Month for the essential day-to-day support he provides to students for their educational success, but perhaps just as important, how he actively shapes their future. He instills accountability in our students, and actively creates pathways towards their future in addition to providing the necessary academic support. In the words of his parent nominator, *"When I think of an outstanding person at LAS, Mr. Paul Moore exemplifies this description and does so quietly and with humility."* We are grateful to have Paul as a part of the team at L'Anse Area Schools!
