Employee of the Month

Alicia Evans

Alicia has been a part of the L'Anse Area Schools Team for 1 year and has made an immediate impact on L'Anse Jr/Sr High School. Alicia has been nominated for Employee of the Month for her "amazing energy!"

"*When walking into her room, she is always so enthusiastic and her students appear to be engaged! She is so happy and positive all of the time*." After school hours Alicia can be found managing student detentions, leading the Writing Club (which has its first Open Mic Night November 18), or attending LAS athletic events.

Alicia is a true joy to have at L'Anse Area Schools!
